

# Your family may qualify for low-cost quality child care

Quality child care just got much more affordable. More financial assistance is now available to families who need child care to work or go to school.

- **Pay less for trusted child care.** Subsidized families never pay more than \$115 a month, whether you have one child or more.
- **Make more money and still qualify.** Families can make 60% or less of the state median income. For a family of four, that's \$61,056/year. Families do not need to receive any other state assistance.
- **Pays for care while you work or learn.** Parents must be employed, self-employed, in school or doing approved activities.
- **Give your children a great start and give yourself peace of mind!** Quality child care helps the whole family.
